

BAC STOP 2

Antibacterial hand soap and
dishwashing concentrate (Triclosan free)

Features

BAC STOP 2 is a new generation, high quality pH balanced concentrate that is tough on grease, yet soft on hands. It also provides proven anti-bacterial protection for your hands, and is unsurpassed in mildness for even the most sensitive skin. BAC STOP 2 meets or exceeds USDA guidelines for E2 rated hand soaps.

Recommendations

May be used as a hand soap or dish detergent. Will not chafe or irritate skin.

Physical Properties

Color	Blue
Scent	Slight perfume odor
Density (20 °C)	1.03 g/mL (8.60 lbs/gal)
Viscosity (20 °C)	230-400 cSt
pH	6-8
Biodegradable	100%

Directions for Use

1) As a hand soap, use as you would any other type of hand soap cleaner. Recommended use with warm water, but can be used with ambient temperature water at longer contact times.

2) As a dish soap, 1-2 oz. per 3 gallons of warm water is sufficient.

Packaging

This product is available in 2 x 1 gal cases, 4 x 1 gal cases, and 5 gal pails. Larger sizes on request.

Important: Read and understand label and Safety Data Sheet (SDS) for complete listing of hazards, precautions, first aid statements, and storage and handling information. SDS Sheets are available from the distributor of this product. 24-Hour Emergency Response Line 1-800-255-3924.
